

POLICE FOUNDATIONS

Program: PFPR

Credential: Ontario College Diploma

Delivery: Full-time

Length: 4 Semesters

Duration: 2 Years

Effective: Fall 2024

Location: Orillia, Owen Sound

Description

Students engage in academic and practical courses to develop the knowledge and skills demanded by Canadian police services. Forensic crime scene investigation, interview skills, use of force theory and application, police powers, and crisis intervention techniques are areas of focus. The physical training and career preparation components of the program prepare students to meet the specific demands of police recruitment processes and a career in the field.

Career Opportunities

Diverse opportunities within the field of policing may be available to graduates, including employment with Royal Canadian Mounted Police, provincial police services, municipal/regional police organizations, private policing services, the Canadian Forces Military Police, and various other justice agencies.

Applicants with a criminal record will need to discuss their personal situation with college counsellors before enrolling in the program. In some cases, a criminal record may make it more difficult for students to find related employment after graduation.

Program Learning Outcomes

The graduate has reliably demonstrated the ability to:

1. complete all tasks in compliance with pertinent legislation, as well as policing standards, regulations and guidelines;
2. analyze all relevant information and make effective and legally defensible decisions in accordance with ethical and professional standards;
3. be accountable for one's actions when carrying out all tasks;
4. develop and implement ongoing effective strategies for personal and professional development;
5. ensure the respect of human rights and freedoms in all interactions;
6. work co-operatively in multidisciplinary teams to achieve mutual goals;
7. collaborate in the development and implementation of community policing strategies;
8. monitor, evaluate and document behaviours, situations and events accurately and discreetly in compliance with legal, professional, ethical and organizational requirements;
9. mitigate risks and maintain order by applying effective strategies in crisis, conflict and emergency situations;
10. take positive actions to help crime victims;
11. conduct investigations by collecting, documenting, preserving and presenting admissible evidence;
12. employ environmentally sustainable practices within the profession;

13. identify and connect program specific curriculum and learning outcomes with active engagement and service in the community;

14. apply entrepreneurial skills, attitudes and approaches to active engagement and service within the community.
