

# REGISTERED NURSE - CRITICAL CARE NURSING

**Program:** RNCC

**Credential:** Ontario College Graduate Certificate

**Delivery:** Part-time, On-line

**Work Integrated Learning:** 1 Clinical Placement

**Length:** 1 Semester

**Duration:** 427 Hours

**Effective:** Fall 2021

**Location:** Barrie

## Description

Students in this program are provided with advanced theoretical and clinical knowledge to competently practice in critical care settings. A combination of online classroom instruction and clinical placements are offered to advance students' professional nursing practice in critical care settings. Emphasis is placed on advancing critical thinking, care planning, and leadership skills. The combined theory and clinical experience encompasses the Critical Care Standards of Practice as outlined by the Ontario Ministry of Health and Long-term Care and Critical Care Nursing Standards from the Ministry of Training, Colleges and Universities (MTCU).

## Career Opportunities

Graduates of this program will be qualified to work within their scope of practice in the critical care setting.

## Program Learning Outcomes

The graduate has reliably demonstrated the ability to:

1. practice within the scope of professional, legal and ethical standards, organization policies, and best practices in critical care nursing;
2. establish and maintain therapeutic relationships with patients, families, and/or substitute decision makers to optimize patient and family-centred critical care;
3. assess, analyze and monitor data for patients with complex, multi-system problems in order to anticipate early deterioration in patient's condition, establish priorities, and plan interventions;
4. plan, implement, evaluate and document specialized nursing interventions to achieve optimal patient outcomes in potential or actual life threatening illness and end-of-life situations;
5. advocate for and deliver patient and family-centred care to patients/families experiencing potential or actual life threatening illness and end-of-life situations;
6. collaborate with members of the inter-professional health care team in providing care for patients experiencing potential or actual life threatening illness and end-of-life situations to achieve continuity of care and optimal patient outcomes;
7. use evidence-based research and best practice guidelines to inform and adapt critical care nursing practice;

8. use strategies and available resources to respond to environmental, physical and psychosocial stressors affecting self and others in the critical care setting;

9. engage in reflective practice and ongoing professional development to enhance competence in critical care nursing.

## Admission Requirements

Applicants must have successfully completed a diploma or degree in nursing from an accredited nursing education program. Applicants must also hold current registration with the nursing regulatory body in their home province/state and or country.

Applicants for whom English is a foreign language must provide proof of language proficiency. Please refer to Georgian's English Language Proficiency policy 2.5.

## Selection Process

Applicants may be required to submit a current letter from an employer's human resource department verifying the number of hours worked. Selection will be based on proof of 1500 hours in an acute care setting.

## Criminal Reference/Vulnerable Sector Check

Placement agencies require an up-to-date clear criminal reference check and vulnerable sector check prior to going out on placement. Students should obtain their criminal reference three months prior to placement; checks conducted earlier may not be considered current. As some jurisdictions require longer lead-time for processing, please check with the program coordinator to ensure you allow for sufficient turn-around time. It is the student's responsibility to provide the completed document prior to placement start.

NOTE: Individuals who have been charged or convicted criminally and not pardoned will be prohibited from proceeding to a clinical or work placement.

## Additional Information

Applicants must have up to date immunization records in compliance with the Public Hospital Act and current BCLS, HCP level CPR.
