

OCCUPATIONAL THERAPIST ASSISTANT AND PHYSIOTHERAPIST ASSISTANT

Program: OPTA

Credential: Ontario College Diploma

Delivery: Full-time

Work Integrated Learning: 4 Clinical Placements

Length: 4 Semesters

Duration: 2 Years

Effective: Fall 2023, Winter 2024

Location: Barrie

Description

Students are provided with the theoretical knowledge and practical skills necessary to function competently in the role of an Occupational Therapist Assistant and Physiotherapist Assistant (OTA and PTA) in a complex health care environment. They are prepared to work under the supervision of and in collaboration with occupational therapists and physiotherapists, and assist therapists to teach and enable clients to effectively cope with limitations in movement and daily functioning, whether temporary or permanent, during and following recovery. Students partake in a combination of practical and theoretical learning achieved through classroom, laboratory and field placements. Learning will take place with an inter-professional approach to meet the needs of clients in acute and community settings.

Career Opportunities

An OTA and PTA is a valued member of the Health Care Team. Graduates enter a dynamic and challenging career which offers opportunities in a variety of health and community settings including acute care, complex continuing care, mental health facilities, community agencies, long-term care facilities, rehabilitation centres, vocational rehabilitation programs, sports clinics, children's treatment centres, schools and private industry.

Program Learning Outcomes

The graduate has reliably demonstrated the ability to:

1. communicate appropriately and effectively, through verbal, nonverbal, written and electronic means, with clients, their significant others, occupational therapists, physiotherapists, and members of the interdisciplinary health care team and others;
2. participate in the effective functioning of interdisciplinary health care teams to optimize client physical and occupational functions;
3. establish, develop, maintain, and conclude client-centred, therapeutic relationships;
4. promote a safe environment that prevents or minimizes potential physical or mental harm to the client, therapist assistant and others;
5. practice in a legal, ethical, and professional manner within the role of a therapist assistant;
6. document client records in a thorough, objective, accurate, and timely manner within the role of the therapist assistant;

7. engage in reflective practice and ongoing professional development activities to maintain and enhance competence;
8. perform the roles and responsibilities of the therapist assistant effectively through the application of relevant knowledge of health sciences, psychosocial sciences, health conditions, resource management, and clinical procedures;
9. contribute to the occupational therapist's or physiotherapist's assessment of the client and the development, implementation and modification of intervention/treatment plans;
10. maximize the client's occupational performance by accurately and safely implementing the interventions, and related tasks under the direction and supervision of the occupational therapist;
11. maximize the client's physical function by accurately and safely implementing the interventions, and related tasks under the direction and supervision of the physiotherapist;
12. identify and implement environmentally-related initiatives relevant to the OTA and PTA profession;
13. apply basic entrepreneurial strategies to identify and respond to new opportunities.

External Recognition

The graduate of this program may choose to become an associate member of the Canadian Physiotherapy Association and the Canadian Association of Occupational Therapists.

Criminal Reference/Vulnerable Sector Check

Placement agencies require an up-to-date clear criminal reference check and vulnerable sector check prior to going out on placement. Students should obtain their criminal reference three months prior to placement; checks conducted earlier may not be considered current. As some jurisdictions require longer lead-time for processing, please check with the program coordinator to ensure you allow for sufficient turn-around time. It is the student's responsibility to provide the completed document prior to placement start.

NOTE: Individuals who have been charged or convicted criminally and not pardoned will be prohibited from proceeding to a clinical or work placement.

Additional Information

Students must have an up-to-date immunization record in compliance with the Public Hospitals Act. Completion and submission of this record is required during registration in order to ensure your placement in clinical and field placement facilities.

A Hepatitis B vaccination is required for your own safety. It may be obtained at a reduced cost through the student insurance plan.

Students are required to have Level HCP CPR and Standard First Aid during the first semester of the program (on-line courses are not acceptable). It is the student's responsibility to renew their Level HCP CPR certification every two years while in the program. Students are asked to submit a copy of their current Level HCP CPR and Standard First Aid certificate to the appropriate contact during the first semester for the following semester when field placements take place. A printable permit with all requirements will be provided.

A record of mask fit test (will be done at the college in semester two), renewed every two years, is required prior to the start of placements.

* Please note that due to the nature of this profession, OTAs and PTAs are required to tolerate regular physical activity during the course of their work day. It is recommended that you have a moderate level of fitness when entering the program.
