

# PRE-APPRENTICESHIP - CONSTRUCTION SKILLS

**Program:** PACS  
**Credential:** Recognition of Achievement  
**Delivery:** Full-time  
**Work Integrated Learning:** 1 Work Placement  
**Length:** 1 semester  
**Duration:** 357.5 Hours  
**Effective:** Summer 2025  
**Location:** Muskoka

## Description

This 10-week construction trades program introduces pre-apprenticeship students to hands-on learning in the carpentry, plumbing, and electrical trades, provides industry required health and safety training and certifications, and includes a paid 8-week work placement.

## Career Opportunities

This program provides graduates with a pathway to a range of opportunities in the construction trades such as:

- residential, commercial or industrial construction
- carpentry apprenticeship
- electrical apprenticeship
- plumbing apprenticeship
- refrigeration and air conditioning systems mechanic apprenticeship

## Program Learning Outcomes

The graduate has reliably demonstrated the ability to:

1. apply knowledge of tools and skills used in the construction industry to various carpentry and roofing projects;
2. complete basic electrical, plumbing, and HVAC (heating, ventilation, and air conditioning) tasks based on theory and practical skills;
3. perform workplace practices and safety procedures in accordance with the Occupational Health and Safety Act Construction Regulations;
4. select and safely operate hand and power tools and equipment used in building construction;
5. assist skilled tradespersons to perform construction-related tasks at jobsites.

## Admission Requirements

Applicants must meet the following criteria:

- 16 years of age
- not currently registered as an apprentice
- Canadian citizen or permanent resident

## Selection Process

- Applicants must attend a program information session
- Applicants must demonstrate the ability to do, or be able to acquire, the necessary reading, writing and trade related math skills

- Applicants must demonstrate a commitment to working in the construction industry
- Applicants will be interviewed

## Graduation Requirements

9 Program Courses  
 1 Work Placement

## Graduation Eligibility

Students must successfully complete all required courses as noted below. Further details, if applicable, are noted under "Additional Information" above.
